

Dolomiti

Bicottura Tradizionale italiana.
Italian traditional double fired.

Un formato classico per una serie che si ispira alla raffinatezza del marmo lucido. Pareti e pavimenti si vestono in modo coordinato, dove le bordure e gli accessori creano il ritmo dallo spazio abitativo.

Dolomiti has a classic size suitable to align that is inspired to the glossy marble refinement. Wall and floortiles can be well combined together and pertinent listellos accessories create the rhythm of the domestic room.

Ein klassisches Formst zu einer Serie, die sich um den raffinierten glänzenden Marmor inspiriert. Wände und Boden kleiden sie sich passend, wo die Bordure und die Accessoires ein Rhythmus in der Wohnraum bilden.

Pour cette série, qui s'inspire à la finesse et au brillant du marbre, on a choisi un format classique. Murs et sols se revêtent avec des couleurs coordonnées, en donnant ainsi rythme à l'espace tout autour avec les listels et les compléments.
